

This is afterschool in...

For every child in Kentucky enrolled in an afterschool program, at least **4 more** are waiting to get in.

PROGRAM Landscape

Total program sites:	303
Number of sites per 1,000 population aged 5-18:	2.57
Number of non-fee-based sites:	10
Percent of total supply that is non-fee-based:	3.3%
Counties with no programs:	N/A
Counties with no non-fee-based programs:	N/A

Impact of COVID-19

COVID-19 has impacted the lives of Kentucky's children and families with job loss, school closings, and isolation. Expanded afterschool opportunities can help accelerate recovery for populations who continue to be disproportionately impacted by the pandemic.

DISTRICT Profile

Population ages 5-17:	118,115

Top 3 Participation BARRIERS

Lack of affordable options in many areas

No transportation to and/or from program sites

Current demand exceeds supply

Kentucky's 3rd District

Afterschool is a smart investment in Kentucky's future. Too many kids are missing out. Help us change that.

Every \$1 invested in out-of-school time programs saves taxpayers at least \$3.

Top 5 BENEFITS

Afterschool programs:

Help kids recover and re-engage

Provide STEM or computer science learning opportunities

Give working parents peace of mind

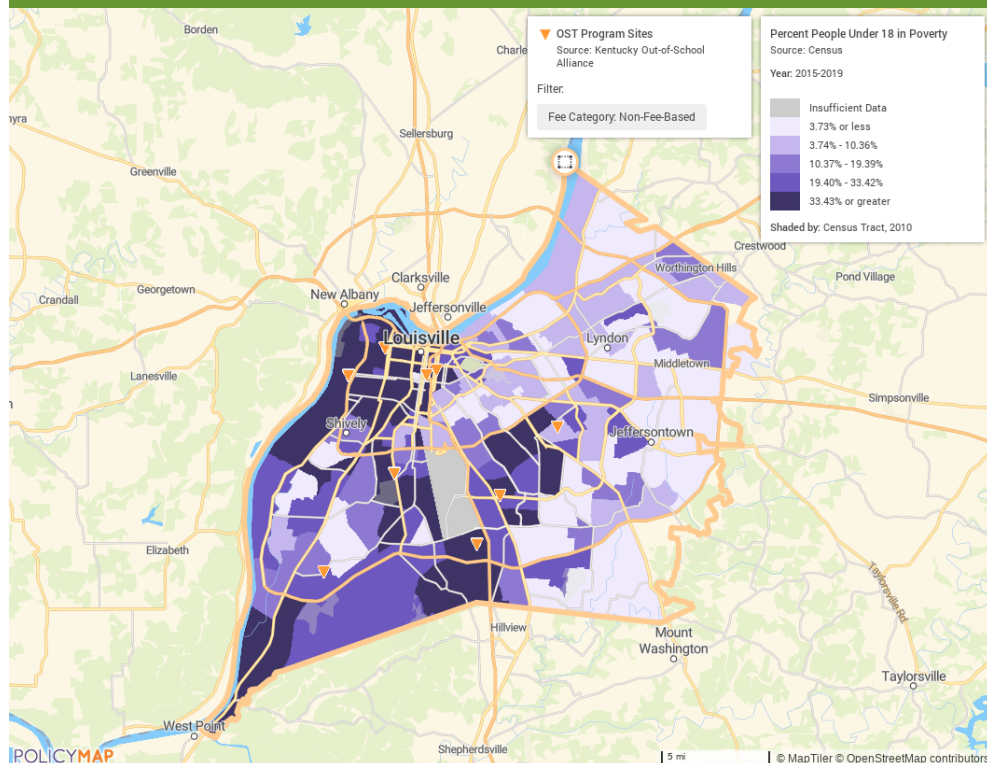

Help combat child hunger

Teach important workforce skills

Non-Fee-Based Afterschool Programs and Child Poverty in Kentucky's 3rd District
